SBD-C/002 • Refrigerated

7.1″ Refrigerated Cabinet

Full-height glass, 300 cans, 1,180 mm wide. Refrigeration without paying for a large screen.

300
CANS
6 layers × 10 lanes

1,180
MM WIDE
narrow cabinet

60/520
W
compressor on demand

- Narrowest refrigerated cabinet in the range — fits service corridors and small lobbies.
- Full-height display glass: the product is the advertising.
- Wi-Fi control; compressor cycles on demand at 60 W standby.
- Same dispensing hardware and cloud platform as the larger cabinets.
